

Dear Parents,

During the month of March, Hearn Academy will be having a Read Across America Reading Challenge. This is a month of activities designed to encourage students to read. You can get involved by reading with your child nightly and recording their reading on their reading chart. You can also encourage your child to participate in the theme days! For each 20 minutes that your child records on their reading chart, they will get their name in a drawing for books in their classroom. We invite you to set a goal with your child to read a certain number of books for the entire month of March. Parents are invited to help join in the fun!
